Dear Staff & Members

Thank you!

On behalf of the patients, families and staff at St Vincent's Hospice I would like to thank you for your generous donation of **£2,300.00**. Your support of our work in this way is greatly appreciated.

Donations like yours play a vital role in funding the work of St Vincent's Hospice. As well as providing facilities within the Hospice building in Howwood, donations also pay for services like our Community Nurse Specialists, who support patients at home across Renfrewshire. These nurses are specially trained to provide supportive care to people living with cancer and other life limiting conditions, as well as supporting their carers; it's thanks to the kindness and generosity of people like you that this and our other services are available to everyone in the local community.

Every gift we receive helps St Vincent's Hospice to continue to provide and improve our specialist palliative care and support services to patients and their families across the Renfrewshire community - making a real difference to people's lives.

If you have online access, you can learn more about the work of the hospice by visiting our website www.svh.co.uk and you'll also find regular updates on Facebook and Twitter.

Thank you once again for all your kindness and support - it is truly appreciated.

Yours sincerely

Carol-Anne Lamont
