CPMS

Commercial Property Maintenance Services Ltd

Established in 1996, **CPMS** has gained its enviable reputation by providing a full and comprehensive range of property facilities management, building services, construction and maintenance solutions.

CPMS have grown from strength to strength by implementing a strategy of **People, Customers, Environment and Community.** These four core values have been identified within CPMS and make for an exciting and dynamic company to work with and for.

Our Services are divided into four Divisions of **Facilities Management**, **Maintenance**, **Construction** and **Building Services**.

We can make it happen is our current strategy of utilising new and exciting opportunities to build our business using sustainable resources. For CPMS, becoming a more sustainable business goes hand-in-hand with becoming a more successful business. We believe passionately in **starting change today to build a better future for us all tomorrow.**

For all your Facilities Management, Maintenance, Construction and Building Services needs, call CPMS - 01505 382333 today or email: enquiries@cpms.uk.com to see how we can help.

spark of genius
every second counts
We would like to wish Garnock Rugby Club all the best for the season!
Spark of Genius is an independent provider of education, residential care, inclusion and aftercare services, employability programmes and software solutions. These provisions enable young people who need a variety of supports to achieve their potential.
It is a privilege to accompany our young people, children and families on their journey as they find their strengths, achieve what they may have considered impossible and build a future for themselves marked by health, accomplishment and pride.
For more information tel: 0141 587 2710

Providing Fast, Easy access to Finance for purchases

As a division of John Deere we have an intimate knowledge of the John Deere products we finance and more than simply providing finance, we're first and foremost dedicated to helping you acquire the equipment you need

PowerGard Protection is a contract to cover the cost of repairs and can be financed on a loan document. Note : PowerGard Protection needs to be bought with a PowerGard Maintenance Plan.

The new PowerGard loan will attract 1 + 2 Annual repayments at 0% based on 100% of the value of the PowerGard. The term and repayment can also mirror the finance for the machine if required. No administration fee will be charged for the loan.

Finance is subject to status. Terms and conditions apply. For further information contact your local John Deere dealer.

JOHN DEERE FINANCIAL

UKPG6R14/06SO

www.JohnDeere.co.uk

PRESIDENT'S WELCOME

On behalf of Garnock Rugby Club I would like to welcome you all to Lochshore for today's game

This season is the Club's 50th anniversary following the amalgamation of Dalry HSFP and Old Spierians back in 1972. Old Spierians RFC was founded in 1890 and the Glasgow Herald of 26th February 1984 records them playing Dalry. Our first opponents as Garnock Rugby Club were Cumnock RFC and it is fitting that in this our 50th year our first opponents in a competitive match are Cumnock RFC

We are delighted that after more than 20 years of changing in cabins this season were are able to use the changing facilities at the fantastic new Visitor and Community Hub. I would like to thank all those who have been involved in making this possible

This season we are coached by Grant Ruxton and Matt Shiellscontinues as Club Captain. I wish Grant, Matt and all the players every success for the season ahead.

We continue in our efforts to grow our Junior Section and I must thank all our coaches, volunteers and parents for their continuing support. As you will be aware Garnock have a proud tradition of "growing our own" and hopefully the efforts of all concerned will see this continue

I would like to take this opportunity to thank all our sponsors and advertisers. Without their generous support the funding of the club's activities would be very difficult.

Our sincere thanks also go out to our many volunteers without whom none of this would be possible.

I hope you enjoy this afternoon's match, whichever team you are here to support, and I would ask that all spectators adhere to the code of conduct. We would be delighted to see you back at the Eglinton Inn after the game

David Perry
President, Garnock Rugby Club

CODE FOR SPECTATORS

1. Remember that although young people play organised sports they are not miniature International Rugby players.
2. Be on your best behaviour. Don't use profane language or harass players, coaches or referees.
3. Applaud good play by the visiting team as well as your own.
4. Show respect for your team's opponents. Without them there would be no match.
5. Condemn the use of violence in all forms.
6. Verbal abuse of players or referees cannot be accepted in any shape or form. Players and referees are not fair targets for your ignorant behaviour.

Let's make it happen!

Core Associates helps world-class events from Glasgow to Birmingham through our range of expert events services from overlay planning, statutory approvals and venue development, through to supplier coordination and peer reviews. In short, we make things happen!

Our team has extensive experience with successful events across the UK. These range from major international multi sports events, such as the Commonwealth Games, European Championships and UEFA 2020 right through to smaller scale, short-term local events like the Christmas Markets in central Glasgow and Glasgow's largest ever ice rink The Ice Experience Elfingrove.

This varied experience and depth of knowledge across the Core Associates team allows us to offer a service to suit your needs depending on specific project requirements.

Our clients benefit from the long-term relationships we've built with event organisers, venues, suppliers and local authorities over the years. We understand that every situation is unique and, through aligned thinking, we strive to provide a bespoke service that is flexible for each event.
